D. Answer the following questions.

Q.1. Who was Prophet Saleh (AS) and where was he sent?

Ans. Prophet Saleh (AS) was a descendant of Nuh (AS). His full name was Saleh bin AbdMasih. He was sent to the people of Thamud.

Q.2. What happened to the She camel?

Ans. The wicked disbelievers, led by Qudar bin Salif, laid a plot to kill the camel. They watched the camel closely, observing its movements. As it approached to drink at the well, Qudar followed the camel and struck its leg with his sword. When it fell to the ground, the others moved in to finish the job.

Q.3. How did Allah, the Almighty. Punish the Thamud people?

Ans. After killing the she camel Saleh (AS) had given them a respite (interval) of three days hoping they would see the error of their ways and repent to Allah. Three days after Saleh's warning, there came one terrific blast from the sky, followed by a devastating earthquake. The disbelievers from Saleh's people were struck dead, all at once. Neither their great building nor their houses carved in stone could protect them.
