For example, installing AutoCAD 2013 as a point product requires product key 001E1, but installing AutoCAD 2013 from the Autodesk Product Design Suite. If your kits do not include product keys, you can install an AutoDesign or Software Design product in Browse mode. At the same time, for a quick and convenient update, you only need to specify the product key from the disk supplied in the kit. Note: When installing AutoDESIGN 10 and Software Design 9, the generated key does not contain an initialization sequence.

Installing AutoKey Professional/CAD Installation instructions
Create a new product key. At the moment, given the number of Autodesk/Software Design products on the Autodesk® platform, adding another manufacturer's product may cause problems. In this case, you will need to create a new key starting with AutoSimulation 9.8 (and AutoWeb 3 or later) or ArchiCAD 7.95/2008.
